Detailed breakdown of your expenditure during the month

The information below is an itemised list of your expenditure on all services and products provided to you during this statement period, and your financial contributions

Your Contribution Rate

Your Contribution Rate funds some of your service costs, and is part of your total Support at Home budget. Your Contribution Rate is determined by Services Australia. If Services Australia has not confirmed your Contribution Rate, the rate below will be set to the default levels of 80% of the cost of everyday living supports, and 50% of the cost of independence supports. Your Contribution Rates for this statement are:

Participant contribution category	Your Contribution Rate
Clinical supports ²	0 %
Independence supports	5 %
Everyday living supports	17.5 %

²All clinical supports are fully funded by the Australian Government, so these services are at no cost to you.
