Dear Bree,

Thank you for accepting the referral of Darrell Mayson under the MBS GP Chronic Condition Management Plan. Please find attached the comprehensive care plan which outlines Darrell current conditions, management goals and ongoing treatment strategies.

I would appreciate your feedback following the initial and final consultations provided under this referral. Your insights will help ensure coordinated and effective care for Darrell.

Please do not hesitate to contact me if you require any further information.

Yours faithfully,

Dr MD Ashiqur Rahman

6514327H

NB: From 1 July 2025, with the recent Medicare Benefits Schedule changes to chronic condition management, Team Care Arrangements and the Enhanced Primary Care (EPC) Medicare forms are no longer required. Please refer to "Allied Health referrals for GP chronic condition management plans" on the Services Australia website for further details.
