Entering into a service agreement

This is your Service Agreement for the Support at Home Services you will receive from us.

We will give you a copy of this Service Agreement before your Start Day, so you have time to consider the Service Agreement and an opportunity to seek independent legal, financial or other advice. We will also give you general information about Prices and Contributions to support you to make informed decisions about this Service Agreement and your Services.

We will ask you to sign this Service Agreement on or before your Start Day. If you accept services from us after receiving a copy of the Service Agreement, this Service Agreement will be in effect from your Start Day, even if you have not signed the Service Agreement.

Navigating this Service Agreement

This Service Agreement contains a number of different sections:

- The Key Terms table at the beginning of the agreement, which is where you will find information that is specific to you.
- The standard terms, which are divided into a number of parts.
- The signing page where you and we sign this Service Agreement.
- The Schedules at the back of the agreement. If you see a reference number (such as Schedule 1, 2, 3 etc.), you can find out more by reading the Schedule marked with that number at the back of this Service agreement.
- There is a dictionary of terms in Schedule 1, for any capitalised words and terms used in this Service Agreement.
- The Care and Services Plan and Budget which also form part of this Service Agreement.

If English is your second language, you have a vision or hearing impairment, or you require any special assistance in accessing this Service Agreement, please let us know and we will assist you with arranging an interpreter or other supports to access the Service Agreement.

Cooling off period

If you notify us (verbally or in writing) that you wish to withdraw from this Service Agreement within 14 days after the date of entry into this Service Agreement and before the Start Day, this Service Agreement has no effect and we must refund any amount you have paid under this Service Agreement.

Part one – rights and responsibilities

- 2.1 If you have a Supporter, this person can support you to make decisions. However, being a Supporter does not give the Supporter rights to make decisions on your behalf.

- 2.2 Only a Legally Authorised Representative can make decisions on your behalf. A Legally Authorised Representative will only be able to make decisions to the extent they are authorised under the instrument or order giving them those powers.
- 2.3 If you have a Legally Authorised Representative, we will ask you for the person's details and a certified copy of the document evidencing their authority to make decisions on your behalf.

3 Our rights and responsibilities

- 3.1 We will provide the Services under the terms of this Service Agreement and in accordance with our obligations as a Registered Provider.

For this reason, as at the Start Date, We do not offer an option for clients to self-manage any services to be delivered by Associated Providers.
- 3.5 We will provide you with a window of time during which your scheduled service will occur. We do not guarantee a particular time for a service.

4 Statement of Rights

- (a) The Statement of Rights (set out in Schedule 2) outlines the rights of individuals accessing Funded Aged Care Services. Part two – receiving services

8 Available services

- 8.1 The List of available services in Schedule 4 details each service that is specified in the Aged Care Service List. The information in the List of available services in Schedule 4 is general in nature. The Services you receive will be based on your assessed needs and your Access Approval (including any approved Service Type(s)). Details of the Services you will receive will be set out in your Care and Services Plan or Goal Plan (as relevant), including a description of the Services.
- 8.2 If you request a Service from us that is not set out in your Care and Services Plan or Goal Plan (as relevant), or which exceeds your available funding, if we agree to provide the Service you will need to pay for it as an Additional Service.
- 8.3 There are certain circumstances in which we may decline your request for a Service, including where:
- (a) the Service is not included in the Service List or it is an excluded service, and either we do not offer it as an Additional Service or you do not wish to purchase the Service as an Additional Service;
 - (b) the Service is not in accordance with your assessed needs or your Access Approval;
 - (c) we have not been able to obtain sufficient evidence to support the suitability of the Service for you, for example a relevant health practitioner assessment; or
 - (d) the Service would place the health, safety or wellbeing of you or another person at risk or would result in us not being able to comply with our responsibilities under any law.
- 8.4 If your Access Approval is revoked, you must let us know immediately and we will consider that you no longer need Support at Home Services and may terminate this Service Agreement under clause 15.4(a)(ii)(A).

9 Additional Services

- 9.1 From time to time you may request and we may agree to provide Additional Services.
- 9.2 If you request Additional Services, we will agree with you the scope of the Additional Services including the duration of the Additional Services and the Additional Services Fee.
- 9.3 Details of the Additional Services, including the Additional Services Fee, will be included in your Care and Services Plan and/or your Budget as relevant.

10 Your Care and Services Plan or Goal Plan

- 10.1 We will engage with you (and your Supporters and other relevant people you tell us are involved in your care) to develop a Care and Service Plan (or Goal Plan for Restorative Care Services) on or before your Start Day, unless an exception applies. Your Care and Services Plan (or Goal Plan) will include relevant information, including details of your care needs, goals and preferences and the Services you will receive.
- 10.2 We will give you a copy of your Care and Services Plan (or Goal Plan) once it is developed, any time it is updated and upon your request.
- 10.3 For Ongoing Services, we will review your Care and Services Plan at least once every 12 months.

11 Care Management, Care Partners and wraparound/coordination Services

- 11.1 If you are receiving Ongoing Services or End-of Life Services we will:
 - (a) provide Care Management to you at least once in each month where we also deliver other Services to you. Care Management may be direct (eg speaking or meeting with you or your Supporter) or indirect (eg completing certain activities on your behalf) and will be paid for out of the Care Management Account;
 - (b) allocate one or more Care Partners to you to deliver Care Management. Your Care Partner will partner with you to discuss your assessed needs and decide what services you want to receive to meet those needs.
- 11.2 If you are receiving Restorative Care Services we will provide Restorative Care Management to you as set out in your Goal Plan.
- 11.3 If you are receiving Assistive Technology or Home Modification Services, we may provide wraparound/coordination services as needed, which will be paid for from your Assistive Technology or Home Modification funding.

12 Late Cancellations and No Shows

- 12.1 If we have committed to deliver any Services under this Agreement and we are prevented, at no fault of our own, from delivering the Service, due to a Late Cancellation or No Show, we may charge the full Contribution and/or Fees and claim any government funding for the Service.
- 12.2 If you feel that you have reasonable grounds for a Late Cancellation or No Show, you can give us evidence in writing to substantiate your claim and we will consider this on a case by case basis. If we agree there were reasonable grounds for a Late Cancellation or No Show, we may agree to vary our claim for the Service and waive or refund a Contribution or Fee, at our discretion.

13 Temporarily stopping Services

- 13.1 You may wish to temporarily stop receiving the Services, for example if you are in hospital or accessing residential respite care. If you wish to temporarily stop receiving the Services, we ask that you give us 48 hours' notice, where possible.
- 13.2 If you temporarily stop receiving the Services, we will still provide Care Management Services to you, unless you decline to receive Care Management.
- 13.3 If you do not receive any Services for an extended period (one year and 60 days), the government will reduce your funding to zero and we will consider that you no longer need Support at Home Services and may terminate this Service Agreement under clause 15.4(a)(ii)(A).

14 Review of this Service Agreement

- 14.1 For Ongoing Services, we will review this Service Agreement at least once every 12 months and upon your request.
- 14.2 As part of any review of this Service Agreement, we will give you an opportunity to participate in the review, consider whether any updates need to be made to the Service Agreement and, if necessary, vary the Service Agreement in accordance with clause 24.1

 - (ii) due to your death, your Exit Date will be the date of your death.

15.3 If you want to end your Services with us

- (a) You can end any of your Services with us at any time by giving us 14 days' notice in writing.
- (b) If you notify us that you are ending your Services, the Exit Date for your Services will be the day your notice expires, unless you and we agree another Exit Date in writing.

15.4 If we want to end your Funded Aged Care Services

Part four – financial terms

16 Your funding

16.1 Funding amount

- (a) The amount of funding the government will contribute to your Services will depend on the type of Services you receive, your financial status, your Classification, your funding level, your funding tier, any applicable supplements and the Services you receive.
- (b) If there are any changes to your funding amount, we will consult with you about varying this Service Agreement and your Budget to reflect your new funding amount.

16.2 Notional home support accounts and transitional accounts

- (a) The government will establish one or more notional home support accounts to allocate your funding. The notional home support account(s) will be credited with your applicable funding amounts and debited when we make claims for Services delivered.
- (b) In addition to a home support account(s), if you are a Transitioned HCP Recipient, you may also have a Home Care Account which records the Commonwealth Portion of any Unspent HCP Funds, which may be debited for Services delivered.

16.3 Care management account

- (a) All Clients will have 10% of their funding for Ongoing Services deducted from their funding and credited to our Care Management Account.
- (b) Certain Clients may be eligible for an additional care management supplement. If this applies, the additional amount will be credited to our Care Management Account.
- (c) We draw on the pooled funds in our Care Management Account to deliver Care Management to all Clients we support.
- (d) If you are receiving Restorative Care Services we will provide Restorative Care Management to you and this will be paid for out of your Budget not the pooled funds in our Care Management Account.

16.4 Unspent HCP Funds

Transitioned HCP Recipients who had Unspent HCP Funds as of 30 October 2025 retain these funds for use under Support at Home. This includes any Client Portion of Unspent HCP Funds we hold on your behalf and any Commonwealth portion of Unspent HCP Funds, which may be held by the Commonwealth, by us, or both).

17 Your Budget

17.1 Preparation and review of your Budget

- (a) We will partner with you and/or your Supporter to develop your Budget, having regard to your goals and assessed needs, preferences, the resources available and the Services you wish to select. We will help you and/or your Supporter to understand your Budget.
- (b) Your Budget will outline the funding available, the costs of your Services, your Contributions and any Fees.
- (c) We will review and, if necessary, revise, your Budget if there is a change (or proposed change) to your Funded Aged Care Services or their associated costs or your Individual Contribution Rate, or if you ask us to do so.
- (d) We will give you your Budget as soon as practicable after we have all the necessary information to complete it or, if you have asked us to revise your Budget, within 14 days of your request.
- (e) If you are receiving Restorative Care Services, your Budget will be included in your Goal Plan.

17.2 Interim funding

- (a) While you are waiting for your Support at Home funding, the government may allocate Interim Funding to you at a rate of 60% of the total funding for your Classification.
- (b) If you have been allocated Interim Funding, we will partner with you to discuss your Interim Funding allocation and develop a quarterly budget that aligns with the Interim Funding and your assessed needs.
- (c) When your full funding becomes available:
 - (i) the remaining 40% of your funding for the approved classification will be allocated to you going forward (this will not be backdated);
 - (ii) we will review your quarterly budget and Care and Services Plan to include further Services to utilise the full funding amount.

17.3 Rollover of funding

We will encourage you to fully utilise your Budget.

- (a) For Ongoing Services:
 - (i) if you do not fully utilise your Budget for a quarter, unspent Budget will automatically roll over up to the greater of \$1,000 or 10% of your quarterly budget, including any Supplements;

- (ii) rolled over Budget will not be available immediately – it can take up to 61 days after the last day of the previous quarter for the funds to become available.
- (b) For the Restorative Care Pathway, End of life Pathway and the AT-HM Scheme, your Budget only applies for the duration of the Services and there is no rollover of funding after the Services end.

18 Prices

- 18.1 You will pay your Individual Contribution Rate for each Service you receive based on our Prices. The published Prices for services we deliver, as current at the date of this Service Agreement, are in Attachment 1.
- 18.2 Generally, we will charge you for Services at the Prices in Attachment 1. The Price we will charge you for the Services you will receive will be in your Care and Services Plan or Goal Plan as relevant. If your Services change from time to time, the Prices will be based on our published Prices at the time and we will update your Budget and Care and Services Plan in consultation with you.
- 18.3 However, from time to time we may agree a different Price to our published Prices after consulting with you. If we need to charge you a higher amount to the published Price for a particular Service, for example if you have a particular request or need, we will agree the relevant Price with you (after explaining the reason for the higher Price) and record the agreed Price in your Budget as relevant.
- 18.4 Our Prices may be subject to regular increases to account for indexation and any increase in our costs of delivering services.
- 18.5 We will increase our Prices on or around 1 July each year. We have chosen this date to align with the financial year.
- 18.6 The increase will be up to the greater of 5% or the amount based on the following pricing variation method, which has been adopted because it is reflective of indexation more broadly in the community:

$$\text{New Price} = \text{Old Price} \times (\text{New CPI} / \text{Old CPI}) + 2\%$$

CPI data is to be sourced from www.abs.gov.au and is to be based on Table 6401.0 - Consumer Price Index, Australia: All Groups - Weighted Average of Eight Capital Cities.

- (b) Your Individual Contribution Rate, if known at the time of entering this Service Agreement, will be set out in the Key Terms.
- (c) Your Individual Contribution Rate may change from time to time and you agree to pay all Contributions payable at the Individual Contribution Rate determined for you at the time you receive the relevant Service.
- (d) If your Individual Contribution Rate has not been determined (or we have not received this information) at the time of entering this Service Agreement, once we receive detail of your Individual Contribution Rate, we will calculate any:
 - (i) underpayment of Contributions, for which we will issue an invoice that you must pay; and
 - (ii) overpayment of Contributions, which we will repay to you.
- (e) We may charge an Interim Contribution on the Services you receive at the Interim Contribution Rates until your Individual Contribution Rate has been determined, at which time any amounts paid will be adjusted as necessary under clause 19.1(d).
- (f) If you do not provide your income and assets information to Services Australia, you will be a Means Not Disclosed Client and your Individual Contribution Rate will be set at the maximum level.
- (g) There are lifetime caps that apply to Contributions, which differ depending on your circumstances and change over time with indexation. If you reach the lifetime cap relevant to you, Services Australia will notify you and us we will not charge you any further Contributions once we receive that notice.

19.2 Your Fees

In addition to your Contributions, you must pay:

- (a) a Compensation Payment Fee, if a Compensation Payment Reduction applies to you;

Our service prices

Our service prices are current as at the date of publication, and effective from the commencement date of the program. These prices may be subject to change as further guidance and information is provided by the Government, and we will keep you informed.

To expand on the large range of services we provide, we can also partner with third parties for services such as Gardening. If you would like a service not listed on our price list, talk to us and we can arrange the service for you.

Prices are exclusive of GST and listed per unit of time as set out below. Service visits that go over one hour will be charged in 15-minute increments calculated at the hourly rate.

Depending on your individual needs, we may need to charge a price that is different to our price list. In this case, we will discuss this with you and agree a price in writing.

Placing your service/s on hold

In most cases we can put your services on hold for a period, if your circumstances change such as a hospital stay, holiday, or respite care. Please discuss any plans to pause your services with our care team so we can reorganise your care, and ensure that you provide at least 48 hours' notice to avoid being charged for any scheduled services.

Additional services

If you require services in excess of your approved funding allocation, such services may be purchased from us at the prices outlined above.

Our service cancellation policy

We understand plans change. You will not be charged if you cancel a scheduled service with at least 48 hours' notice. If you cancel with less than 48 hours' notice, you will be required to pay the amount of your co-contribution for the scheduled service.
